Commodore Towle,

On behalf of the Inter-Lake Yachting Association Board of Trustees, I wish to thank your organization for the Charitable Contribution that was made to the I-LYA Deferred Junior Powerboat Account.

This contribution, in honor of I-LYA Past Commodore James DuPre' represents the support he gave to our youth programs. He was involved with promoting the Junior Powerboat activities that are held during the regatta. These funds will be used for youth events during the I-LYA Powerboat BayWeek Series.

Sincerely yours,

Allen Ashley
