Commodore Kevin Towle
Lake Erie Offshore Performance Association

Commodore,

Thank you for your generous donation to the Inter-Lake Yachtsmen's Fund in memory of 2007 I-LYA Commodore James DuPre'. We are very appreciative, not only of the value of the donation, but also for the recognition of Commodore DuPre'. Jim was a Life Member of the Yachtsmen's Fund and a long-time supporter of both the Fund and of many of the activities that we support throughout the region. He was certainly a staunch supporter of boaters and boating activities in our area and we, too, find it fitting to recognize him.

Your \$1,000 donation will be invested to help provide ongoing, annual support to events that help to educate, challenge, and inspire the next generation of sailors and boaters. Thank you!
